Ability-Counselling and Training Ltd is a registered Not-For-Profit Charity Company, limited by guarantee.

We are a recovery oriented mental health practice, assisting the individual in their environment.

We are young in our Company, but hold a wealth of experience.

To assist in delivering our services to individuals and communities addressing mental health, we seek your assistance as part of the recovery process.

OBJECTIVE

In 2017, we aim to raise funds which will enable Ability-Counselling and Training Ltd to continue its work in the community – reducing harm, and improving mental health.

In 2017 we will:

- reduce the cost to those who require counselling
- purchase housing to provide supported accommodation for those with mental health issues – reducing difficulties in their integration into the community
- purchase a vehicle to assist in transporting clients to community appointments
- deliver our **Men's Change and Grow** and **Surfing the Urge** programme to reduce the risk of an individual's engagement in the Criminal Justice System – addressing **domestic** violence and substance abuse – reducing harm and distress to individuals, families, and the community
- deliver community education programmes to assist in building strength as a community – reducing harm and trauma

To achieve this, we are dependent on public funding which will allow our services to assist a greater number of individuals and communities.
